

GP-Oncology

Miramichi Regional Hospital

START DATE

Flexible – Interested candidates can arrange a site visit and/or a locum placement to trial the position, with transportation and accommodation expenses covered.

THE CITY OF MIRAMICHI

The city of Miramichi is a friendly, warm community located along the Miramichi River in northeastern New Brunswick. It offers affordable housing and a low cost of living, well below the national average. Meanwhile, the city will meet all your day-to-day needs. Most homes are within a 15-minute commute to the hospital, with safe neighborhoods, good schools, and abundant recreational opportunities for families and individuals alike.

Miramichi boasts excellent outdoor opportunities including boating, golfing, and world-class fishing. You will enjoy well-maintained trails for hiking, biking, ATVing, and snowmobiling. Many festivals are offered throughout the year, and there are plenty of community and recreation programs for children and adults. For more information, visit www.discovermiramichi.com.

THE WORKPLACE

Oncology services in Miramichi, New Brunswick, are delivered at Miramichi Regional Hospital (MRH), a full-service regional hospital serving the city of Miramichi and surrounding rural communities.

The GP-Oncology program at MRH focuses on providing high-quality supportive care to cancer patients as part of a collaborative, interdisciplinary team. In this role, the GP-Oncology Physician will work closely with Medical Oncologists, Hematologists, and other specialists to provide comprehensive care in the oncology outpatient clinic.

The GP-Oncology team at MRH is supported by skilled nursing staff, allied health professionals, and administrative support. Physicians in the department are expected to provide expert care in a supportive, team-oriented environment, working closely with other providers to ensure the best possible patient outcomes.

THE POSITION

Horizon Health Network is seeking a **permanent full-time or part-time GP-Oncology Physician** to join the team at **Miramichi Regional Hospital**.

The successful candidate will care for cancer patients as part of a collaborative, interdisciplinary team. Working closely with Medical Oncologists, and Hematologists, the GP will contribute to the delivery of high-quality care in the oncology outpatient clinic.

Responsibilities Include:

- Provide care to patients receiving chemotherapy, immunotherapy, and supportive treatments in the oncology clinic.
- Review labs, reports, and write prescriptions for ongoing patient care.
- Coordinate with hospitalists for admitted oncology patients and liaise with palliative care and extra-mural nursing when appropriate.
- Participate in weekly oncology care rounds and collaborate with multidisciplinary teams.
- Complete documentation and manage patient referrals/forms as required.
- Follow departmental and corporate evidence-based practices aligned with Horizon Health Network's mission and values.

This role does not include:

- Oncology call coverage.
- Outpatient oncology consultations or new consults.
- Signing chemotherapy orders or making oncology treatment decisions.

The position offers 7.5-hour shifts, Monday–Friday between 8:00 a.m. and 4:30 p.m., with flexibility for vacation/CME and notice requirements.

THE OFFER

Remuneration is based on a Salaried position. Additional financial and professional benefits available through Horizon Health Network, the Government of New Brunswick, and the New Brunswick Medical Society may include:

- Rural recruitment incentive of \$100,000 with a 4-year return of service.
- Relocation assistance.
- CME funding for professional development, including conference registration and travel.
- Participation in provincial retention and incentive programs.

YOUR RESPONSIBILITIES

- Provide high-quality care to cancer patients in the oncology outpatient clinic.
- Collaborate with Medical Oncologists, and Hematologists to deliver patient-centered care.
- Participate in oncology care rounds and contribute to multidisciplinary team discussions.

- Review labs, reports, and prescriptions to ensure quality care for patients undergoing cancer treatment.
- Liaise with palliative care and extra-mural nursing teams as needed.
- Support the continued growth and excellence of Oncology services at MRH.

YOUR QUALIFICATIONS

- Medical degree with licensure from the College of Physicians and Surgeons of New Brunswick.
- Active membership with the New Brunswick Medical Society.
- Certification or relevant experience as a Family Physician in Oncology (CME support available).
- Strong communication, interpersonal, and team-building skills.
- Good attendance and work record, with the physical ability to perform assigned duties.
- Active membership in the Canadian Medical Protective Association (or equivalent liability insurance).
- Proficiency in English; bilingual skills are considered an asset.

Other Requirements:

- Registration with New Brunswick Medicare.
- Adherence to Hospital Act, Regional Health Authorities Act, Medical Services Payment Act, and all related regulations.
- Participation in at least one major continuing professional development event annually.
- Compliance with Horizon Health Network bylaws, rules, regulations, and policies.
- Commitment to the Code of Ethics of the College of Physicians and Surgeons of New Brunswick and the Canadian Medical Association.
