

Medical Oncology

Saint John Regional Hospital

START DATE

Flexible - Interested candidates can arrange a site visit and/or a locum placement to trial the position, with transportation and accommodation expenses covered.

THE CITY OF SAINT JOHN

Whether you're a lifetime New Brunswicker or a newcomer to Eastern Canada, you will love living here! The Saint John Area is situated in Southern New Brunswick on the Fundy Coast, with many kilometers of highways, hiking trails and pristine coastlines to explore.

The Saint John area offers you a broad range of affordable housing options, from heritage properties to executive homes within the city and in nearby Kennebecasis Valley. Saint John, a booming harbor city, is Canada's oldest incorporated city (1785) and home to the country's oldest museum and farmers' market. For spouses and families, there are excellent employment and educational prospects. The nearby towns and villages, such as St. Stephen, Sussex, and Grand Manan, provide a diverse selection of recreational and sport activities that appeal to all age groups.

THE WORKPLACE

Oncology services in **Saint John, New Brunswick**, are primarily delivered through **Saint John Regional Hospital (SJRH)**, the province's largest tertiary referral and teaching hospital. SJRH serves as the regional cancer centre and provides specialized oncology care to patients from across southern New Brunswick and beyond.

The Department of Oncology at the Saint John Regional Hospital is an Adult Tertiary Cancer Centre and is at the forefront of multidisciplinary cancer care in the province for Medical Oncology, Radiation Oncology and Hematology. The centre provides full-service oncology with an inpatient unit, ambulatory clinics, specialized radiation therapy (SBRT), autologous stem cell transplant, cellular therapies and an active research unit.

Oncology at SJRH is supported by a multidisciplinary team of oncologists, skilled nurses, allied health professionals, and administrative staff. The department fosters close collaboration with referring physicians and multidisciplinary teams, delivering high-quality cancer care in a fast-paced, academic environment.

THE POSITION

Horizon Health Network is seeking **permanent full-time Medical Oncologists** to join the Oncology team in Saint John.

The medical oncologists provide a broad range of clinical oncology services. We offer flexibility with subspecialty medical oncology practices that fit within our patient population.

We reside across the street from Dalhousie Medicine New Brunswick and are involved in teaching medical learners and residents.

THE OFFER

Remuneration is based on an Alternative Funding Model (AFP). Additional financial and professional benefits available through Horizon Health Network, the Government of New Brunswick, and the New Brunswick Medical Society may include:

- Recruitment incentive of \$50,000 with a 2-year return of service
- Relocation assistance
- CME funding for professional development, including travel and accommodation
- Participation in provincial retention and incentive programs

YOUR RESPONSIBILITIES

- Provide high-quality care for patients with a range of oncological conditions across inpatient, outpatient, and emergency settings
- Collaborate closely with referring physicians and multidisciplinary care teams to ensure coordinated oncology care
- Participate in departmental quality improvement initiatives and service development
- Contribute to teaching, academic activities, and mentorship of medical learners
- Support the ongoing advancement of oncology services in Saint John

YOUR QUALIFICATIONS

- Medical degree from a recognized institution
- Certification in Medical Oncology with the Royal College of Physicians and Surgeons of Canada (FRCPC) or equivalent
- Eligibility for licensure with the College of Physicians and Surgeons of New Brunswick
- Interest in academic practice, teaching, or subspecialisation in oncology is considered an asset
- Proficiency in English; bilingual skills are considered an asset
